

## **Kiwanis Outstanding Senior Award**

---

The local Kiwanis Club recognizes an outstanding senior in each USU college every spring. Recipients should be selected on the basis of:

- Graduating senior
- High academic achievement
- University and community projects
- Leadership
- U.S. Citizen

You'll notice that the criteria give us quite a bit of leeway. Sometimes we have used this award to recognize a student who was considered for but did not receive the top honors in the college (e.g., Scholar of the Year, Outstanding Senior). The recipient is invited to a Kiwanis luncheon in May to receive a recognition plaque but is not recognized at the CNR awards banquet.

Nominations for the Kiwanis award are brought to the scholarship/awards committee meeting handled through the Academic Service Center
