

Utah State University

Founded in 1888 as Utah's land-grant college, Utah State University is fully accredited and has an international reputation for research and teaching. The university has seven academic colleges and a graduate school, providing a comprehensive academic program. USU has a resident studentbody of about 16,000.

* * *

Located in the town of Logan (population 50,000) in northern Utah, USU is surrounded by beautiful landscapes and a wide variety of outdoor recreational activities. Skiing, hiking, camping, and fishing are all within easy access.

USU is less than a day's drive from:

- Bryce Canyon National Park
- Canyonlands National Park
- Craters of the Moon National Monument
- Grand Canyon National Park
- Grand Staircase-Escalante National Monument
- Grand Teton National Park
- Yellowstone National Park
- Zion National Park

For more information...

The Utah State general catalog provides information on financial aid, tuition, fees, entrance requirements, and the curriculum. If you would like a printed copy of the Utah State catalog, purchasing can be done in three ways:

- Walk-in purchases may be made at the USU Bookstore, located on the ground floor of the Taggart Student Center on campus.
- Call-in orders to USU Express-A-Book may be made by calling toll free (800) 662-3950. The catalog will be shipped to you by U.S. Post. Exact price, which depends on your location, will be provided when you call. Please have credit card and shipping information ready.
- Mail-in orders to USU Express-A-Book may be made by sending checks, along with shipping information, to: USU Bookstore, Attn: Express-A-Book, 0200 Old Main Hill, Logan UT 84322-0200. Before preparing your check, call toll free (800) 662-3950 to find out the exact price. The catalog and major requirement sheets are also available on the web at http://www.usu.edu/ats/general_catalog/ and <http://www.usu.edu/ats/majorsheets/index.html>.

Information may also be accessed through the College of Natural Resources website, located at:

Department of Wildland Resources

Utah State University
Logan, UT 84322-5230
Phone: (435) 797-3219
Fax: (435) 797-3796
Email: wild@cc.usu.edu

***The mission of the
Department of
Wildland Resources
is to contribute to the
understanding, restoration,
and sustainable
management of terrestrial
ecosystems.***

**College of
Natural Resources**

DEGREES:

Undergraduate:

- **BS Conservation and Restoration Ecology**
- **BS Forestry**
- **BS Rangeland Resources**
- **BS Wildlife Science**

Graduate:

- **MS & PhD Ecology**
- **MS & PhD Forestry**
- **MS & PhD Range Science**
- **MS & PhD Wildlife Biology**

Graduate specializations:

- **MS & PhD Ecology — Conservation Biology, Forest Ecology, Range Ecology, Wildlife Ecology**
- **MS & PhD in Wildlife Biology — Conservation Biology, Problem Wildlife Management, Wildlife Management**

WILDLAND RESOURCES FACULTY:

Johan du Toit, Department Head, ecology and conservation of large mammals in terrestrial ecosystems, (435) 797-2837, johan.dutoit@usu.edu

Peter Adler, plant community ecology, (435) 797-1021, peter.adler@usu.edu

Frederick A. Baker, forest pathology, computer applications, (435) 797-2550, forpest@cc.usu.edu

Roger E. Banner, range extension specialist, (435) 797-2472, rogerb@ext.usu.edu

Karen H. Beard, wildlife effects on ecosystem structure and function, (435) 797-8220, kbeard@cc.usu.edu

John A. Bissonette, Leader, Utah Cooperative Fish and Wildlife Research Unit, landscape ecology, terrestrial vertebrate ecology, (435) 797-2511, John.Bissonette@usu.edu

F. E. (Fee) Busby, effects of livestock grazing, (435) 797-2319, feebusby@cc.usu.edu

Martyn M. Caldwell, plant physiological ecology, (435) 797-2555, mmc@cc.usu.edu

Christopher A. Call, vegetation manipulation/management, (435) 797-2477, cacall@cc.usu.edu

Mary M. Conner, wildlife population ecology, (435) 797-1481, mconner@cc.usu.edu

Michael R. Conover, Berryman Institute, animal behavior, wildlife damage management, (435) 797-2436, conover@cc.usu.edu

Raymond D. Dueser, conservation ecology, (435) 797-7565, dueser@cc.usu.edu

Thomas C. Edwards, Jr., Utah Cooperative Fish and Wildlife Research Unit, spatial ecology, habitat modeling, biostatistics, (435) 797-2529, tce@nr.usu.edu

Shandra Nicole Frey, Berryman Institute, resolution of human-wildlife conflict, (435) 586-1924, nickif@ext.usu.edu

Eric Gese, National Wildlife Research Center, predator behavior and ecology, (435) 797-2542, egese@cc.usu.edu

Frank E. Howe, avian ecology and management, riparian and shrubsteppe ecology, (435) 797-8523, frankhowe@utah.gov

Michael Jaeger, National Wildlife Research Center, behavioral ecology, (435) 797-8187, mjaeger@cc.usu.edu

Michael J. Jenkins, disturbance ecology and management, insects, fire, snow avalanches, (435) 797-2531, mjenkins@cc.usu.edu

David N. Koons, animal population ecology, (435) 797-3219, koons@demogr.mpg.de

Michael R. Kuhns, forestry extension specialist, urban forestry, tree physiology, (435) 797-4056, mikek@ext.usu.edu

James N. Long, forest ecology, silviculture, (435) 797-2574, fakpb@cc.usu.edu

John C. Malechek, rangeland management, (435) 797-2470, john.malechek@usu.edu

Terry A. Messmer, fisheries and wildlife extension specialist, wild ungulate and waterfowl management, wetlands ecology, private land management, conservation communication, (435) 797-3975, terrym@ext.usu.edu

Karen E. Mock, conservation genetics and applied molecular ecology, (435) 797-7870, karen.mock@usu.edu

Frederick D. Provenza, range animal production, (435) 797-1604, stan@cc.usu.edu

R. Douglas Ramsey, remote sensing, geographic information systems, landscape ecology, spatial analysis, (435) 797-3783, doug.ramsey@usu.edu

Ronald J. Ryel, plant physiological ecology, (435) 797-8119, range@cc.usu.edu

Eugene W. Schupp, plant population ecology and restoration ecology, (435) 797-2475, schupp@cc.usu.edu

John Shivik, National Wildlife Research Center, predator ecology, (435) 797-1348, jshivik@cc.usu.edu

Helga Van Miegroet, forest soils and biogeochemistry, (435) 797-3175, helgavm@cc.usu.edu

Juan J. Villalba, foraging behavior, (435) 797-2539, villalba@cc.usu.edu

Michael L. Wolfe, wildlife ecology and management, (435) 797-2533, mlwolfe@cc.usu.edu
